- ◆ Fact Based Questions
- ◆ Vocabulary (from context)
- ◆ Author's Purpose / Tone
- ◆ Meaning of Words / Phrases
- ◆ Sequence of Events
- ◆ Title for the Passage

Read the passage carefully and answer the questions that follow.

In today's fast-paced world, time management has become an essential skill. People are constantly juggling multiple responsibilities, whether at work, at home, or in their personal lives. Effective time management helps individuals prioritize tasks, reduce stress, and increase productivity. One of the most important steps in managing time is making a to-do list. By writing down tasks, we can organize our day and ensure that important work is not forgotten. Another useful technique is the 'Pomodoro Technique', which involves working for 25 minutes and then taking a 5-minute break. This method keeps the mind fresh and focused. It is also important to avoid distractions like social media and unnecessary phone calls, which waste valuable time. Remember, time once lost can never be regained. Therefore, using time wisely is the key to success in any field.
